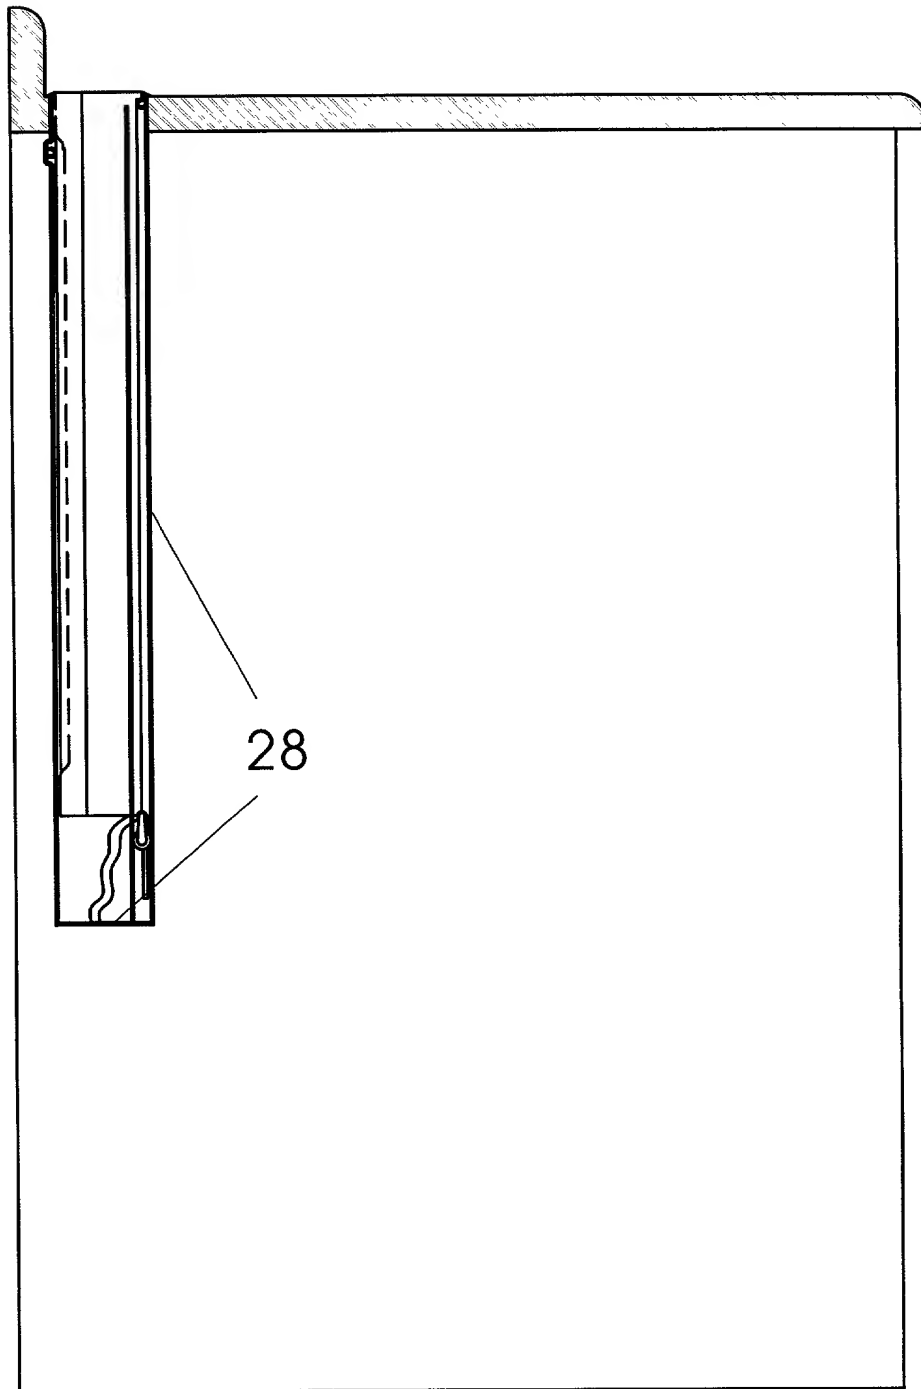

FIGURE 6

A schematic diagram of a device. It features a large rectangular area. On the left side of this area, there is a vertical wavy line. To the right of this wavy line, the number '28' is displayed. Two thin lines originate from the number '28' and point towards the wavy line. At the top of the diagram, there is a horizontal bar with a dashed line above it. On the far left, there is a small vertical element with a small circle at its base.
